Dear Parents,

Spring is on the way, and we are excited to prepare for another fantastic cricket season at the College! If your daughter or son is considering cricket as their games option, here's some information that will help them be prepared.

Cricket Pre-Season Training: Years 7–13

We are running an additional pre-season training day on **Monday 20th April** for all returning students. If your child would like to join, please [email](#) me by **10th April**. Students should drop luggage at houses at **10:30am** and meet at the **Main Pavilion by 11:00am**, ready to train. Lunch is provided.

Cricket Tuition

We offer one-to-one cricket coaching throughout the year for all abilities, from beginners to county-level players, held in our indoor centre. If you'd like more information or wish to register, please get in touch or use the form on My School Portal.

Equipment Offers

We're delighted to continue our partnerships with [Bear Cricket](#) and [Kippax Cricket](#), giving students access to high-quality equipment at a discounted rate.

All Ampleforth students can enjoy a **25% discount** using the code **AMPCOL25**, and both companies offer excellent bundle deals. Bear Cricket also supplies our bespoke red College batting helmets with crest, which I highly recommend for comfort and safety.

College Cricket Clothing

Back by popular demand — our traditional cable-knit jumpers and College caps are now restocked in the Tuck Shop, along with other essential kit. Orders can be placed by emailing tuckshop@ampleforth.org.uk with the subject line *Cricket Order*.

With best wishes,

Sebastian Phillips
Head of Cricket
