

AMPLEFORTH
COLLEGE

Sports Pastoral Graduate 2026-2027

Welcome from the Headmaster

Thank you for your interest in this role.

Ampleforth is a very fulfilling place to work, particularly because it is a school with a mission. As Catholic educators, we seek to educate the whole person, mind, body and spirit, supporting our pupils to fulfil their potential and to flourish in all aspects of life. Everyone can benefit from being part of and contributing to this enriching education, whether you are Catholic or not.

Ampleforth's community ethos, rooted in the tenets of our Benedictine monastic founders, is centred on being welcoming to all, caring for each other, and valuing inclusion, empathy and compassion. We aim to form responsible young people of integrity and courage, proactive members of society who serve others and do good in the world. As such, an Ampleforth education provides a compass for life. Our ethos extends to the whole community, students, families, staff, alumni and visitors. Leading the team here is a joy, as well as a privilege and an honour.

Ampleforth offers the highest possible level of pastoral care, embedded within a robust safeguarding culture. Our pupils are happy, well-balanced and grounded; each one is known well by staff and cherished. We want the very best for them and work hard to help them achieve it.

Good and inspiring teaching is key, and every pupil is challenged academically. We cultivate intellectual curiosity, critical thinking and independence of mind, all vital for further studies after school and to thrive in our complex world. Alongside the pursuit of academic excellence, the lessons gained from music, drama, art, and sport are equally important for developing the whole person, the well-rounded character that Ampleforth appreciates.

The dedication of the Governors, the whole staff, and the many friends and supporters of Ampleforth inspires me to give all I can to our collective goal of being the world's foremost Catholic boarding and day school.

*Jon Mutton,
Headmaster*

Our Mission

"An Ampleforth Education is an invitation to young people to discover the value and the purpose of life, by entering into a transforming encounter with Christ through active participation in the life of a living Christian Community."

Our Benedictine values:

Catholic education and Benedictine values underpin everything we do at Ampleforth, whether a student or member of staff is Catholic or not. We believe that humanity is a gift we receive through others and that our relationships unlock the unique potential in each person. Our values provide the foundation to all of our work and how we work with one another:

Respect: recognising and nurturing the unique talents of every individual and oneself, understanding that we grow and learn from our differences and are made a better person by each other.

Hospitality: committing to live in such a way as to be welcoming and open to all, and to invite people to experience living life more fully in our community.

Attentiveness: being sensitive to the needs of others as well as one's own needs and supporting the mutual well-being of everyone in the community; wanting what is best for each other.

Equilibrium: nurturing the well-being and resilience of each individual and one's own, and thereby of the community, to achieve mental and emotional balance and personal fulfilment.

Stewardship: cultivating a sense of responsibility and care for the people and the world around us, as well as oneself, to ensure our community and environment thrive.

Integrity: developing within ourselves strong principles, sound judgement, and the resilience needed to do the right thing.

You will be supported and mentored by a department that encompasses a blend of professional external coaches and academic staff who are committed to the development of all students of all abilities. As the year progresses, you will have the opportunity to access continued professional development opportunities within your chosen field.

THE BOARDING HOUSE

Outside the classroom you will be assigned to one of the Boarding houses. Your role in the house is very much one of support for the Housemaster or Housemistress and where you will provide pastoral care and get to know the students in an entirely different environment. As time progresses you will be expected to be available for duty nights which will oversee evening prep times and bedtimes.

EVENING/ WEEKEND ACTIVITIES

There are a wide range of evening and weekend activities that run from debating and subject Olympiads to wine and poetry societies. You may oversee students in the fitness suite, sports hall or provoking discussion at one of the many societies. You will be encouraged to suggest new activities and promote them accordingly.

The Sports Department

We wish to appoint, for September 2026, an outstanding, enthusiastic, committed and responsible female graduate with a good degree whose principal duty will be to help coach and drive the Ampleforth College sports programme. The successful candidate will be based within the sports department and must have the ability to coach at a good level in either Rugby, Netball, Football, Cricket or Hockey along with the willingness to contribute towards the wider sports programme at Ampleforth College.

Preferred Specialisms: Expertise in at least two major games

Ampleforth College has a long and distinguished sporting tradition. The school became fully co-educational in 2003 and girls have enriched the sporting life of the school enormously.

The philosophy of the department has been to provide a rich and varied sporting experience for all (there is an extensive fixture list) as well as specialist provision for the most talented.

The department currently consists of five full-time members of staff, an administrative assistant, a number of specialist coaches and three graduate sports assistants and a committed body of academic staff who contribute to the games programme according to their expertise.

At the College, as well as a timetabled games programme, there is non-examined Core Physical Education for all in Years 7-9 and both GCSE and A level PE are taught as optional subjects. Further sporting opportunities are also offered via the extensive College activities programme.

The extensive facilities are set in a stunningly beautiful valley. Recent developments include; re-laying the hockey Astroturf pitch, renovation of the swimming pool in the St. Alban's Sports Centre, building a 'High Performance Suite' for strength and conditioning and a brand-new changing facility down in the valley.

A day in the Life of a Games Graduate

- Living on site is a great perk - with my day starting at 8:30 in the sports hall, it's not far to go!
- Daily PE lessons involve helping the students shoot hoops in basketball, mastering the drop shot in tennis or throw the perfect pass in tag rugby
- Mid-morning sessions by the poolside – to help with swimming lessons
- Lunch (quite delicious) in the refectory, followed by an afternoon on the sports pitches.
- 2 – 3 nights of the week I spend the evening in the boarding house supervising the students as they enjoy the evening with their friends.
