INSIGHT INTO THE NHS

HOSPITAL SITE TOURS

*at York and
Scarborough Hospitals*

WHO IS THIS FOR?

This opportunity is for **any sixth form or college student** who is interested in working in the NHS. This could be in an entry-level role, completing a NHS apprenticeship or employment after completing a healthcare degree.

PURPOSE:

- Gain knowledge of the range of teams who work in a hospital
- Understand how they all work together for the benefit of our patients

Autumn Lecture Series 2026

School Access Guide

INQUISITAS

Take sixth-form students beyond the A-Level curriculum through sustained access to university-level ideas, debates and current research.

26 October - 27 November
Autumn 2026

5 weekly lectures
per subject series

Online evenings
5:00-6:30pm or 7:00-8:30pm

How the series works

Students choose a subject series and join five weekly online lectures and Q&A sessions. Each series introduces different topics, debates and areas of current research within the discipline and is designed specifically for sixth-form students. Sessions are led by researchers from Oxford and Cambridge.

Autumn subject series

Law

Politics & International
Relations

History

Economics

Philosophy & Ethics

Sociology &
Anthropology

Psychology

Medical Ethics

Interdisciplinary
Approaches to AI &
Technology

The full programme of speakers and individual lecture topics will be released by the end of September.

Further details to follow.

If interested, please contact
Stevaan.Hall@ampleforth.org.uk for more details.
