Dear Year 12 Parents,

For those of you who were able to attend, I do hope you had an enjoyable and productive day at last Friday's Higher Education Conference and Careers Fair, and that you and your children were able to increase your knowledge and understanding of some of the options available as they progress towards their final year at Ampleforth, and explore the opportunities beyond. The atmosphere was lively and purposeful throughout the day, and I was delighted to see so many of you in attendance.

As I start to plan for next year's event, it would be very helpful if you could kindly give me some feedback, by answering the questions below and sending your responses to cmt@ampleforth.org.uk

What was your general impression of this year's event and its organisation?

Which of the seminars were the most engaging, and why?

Are there any improvements which I, or the school, could make for future years?

My very best wishes,

Clare
