

Ampleforth College Safety Charter

Safety Culture Expectations

What you can expect of Ampleforth:

- A safe environment
- Trained and competent staff
- Active support to improve safety
- Thorough investigation of accidents, near-misses and safety concerns
- Timely action to correct defects
- Up to date policies and procedures
- Action against all unsafe or negligent behaviour

In return, all staff and students and contractors are expected to:

- Be aware of risk and consider safety in all you do
- Follow all safety rules and procedures
- Only do work which you are competent to do
- Stop an activity if you have a safety concern
- Report accidents, incidents and safety concerns immediately
- Know what to do in an emergency
- Be proactive in keeping everyone safe
- Look after each other
