Writing Paper
SPECIMEN PAPER

Duration: 1 hour

Select ONE of the following four questions to answer.

You will be assessed on the quality and creativity of your expression and your ability to explain, describe and/or analyse.

Your spelling, punctuation and grammar will also contribute to your grading.

It is suggested that you take 10 minutes to plan your answer before you start writing.

- 1) If you could bottle any memory, open it and revisit it, which memory would you choose and why?
- 2) *Alice wakes up one morning and discovers she has a superpower.*
Write the start of a story of Alice's discovery.
- 3) Describe a day at a zoo that contains magical and mythological creatures.
- 4) Write a magazine article explaining to parents how to keep their children entertained over the summer holiday.
